

Dealer Service Agreement

1. Authorized Service Contractor/Rep, upon request, will perform service and repair work on HVAC equipment for Premium Protection Plan Program (hereby noted as JBW PPP) agreement holders when agreement holders have a valid claim. The Authorized Service Contractor/Rep agrees to charge the manufacturer for labor and parts whenever they are covered under the manufacturer's warranty. JBW PPP will not begin labor payment before the 91st day of receipt of the applicable executed agreement. 12. Authorized Service Contractor/Rep agrees JBW PPP may verify, if they desire, directly with the customer or holder of the agreement, work performed for which the claim has been filed. Random audits will be performed. The Contractor/Rep Service Agreements for Contractor/Reps who submit fraudulent claims or experience excessive claims will be automatically terminated, and their customer list reassigned to another authorized contractor.
